

CHILDREN OF THE LORD

CHORUS:

**We are children of the Lord,
Sons and daughters of light.
We are children of the Lord,
And we want to walk in God's light.**

**Anyone who lives in God,
Is certainly living in light.
Anyone who lives in God,
No longer walks in the dark.**

CHORUS

**In God, there is no darkness.
In God, there is only light.
In God, there is no darkness.
We want to walk in God's light.**

CHORUS

**Oh, yes we are God's children.
We are the gifts of God's love.
Oh yes, we are God's children.
To God alone we belong.**
